

SoulCollage® Card Frame

When you remove this center, by cutting along this dotted line, you will have a 5 inch by 8 inch SoulCollage Card Frame.

Use the frame when looking at your cut out images and photos to find what will look good on this standard-sized SoulCollage card.

You can also use this frame while you are positioning various images to see how they will look collaged together in this size.

Blank SoulCollage cards are available in professionally pre-cut 5 x 8 inch, quality matboard from Hanford Mead Publishers at www.soulcollage.com or 1-831-459-6855 (toll free at 1-888-727-7310.)

Other products include the *SoulCollage* book and CDs by Seena B. Frost:
